Subject: Can send press to Jonathan (first meeting in early Sept.)

Thanks for the update, Bruce. Hope you're having a good summer.

It's ok for them to contact me. I'll also be calling Steve today as our invitations went out two weeks ago to the council and we're waiting on their response. We think all will accept, and I'll let Steve know who we invited. Also, we're scheduling the first meeting in September (early half of the month).

So, all's moving in the right direction.

Jonathan
